* Temporary Campground plan review is the responsibility of the local health district having jurisdiction.

Each plan review package submittal shall include the following prior to the start of the plan review per OAC 3701-26-05(C):

1. Signed Application for Plan Review Form HEA 5213;
2. Site Evaluation Report, ODH HEA 5228 completed and signed by the licensor (local health district);
3. Written verification from the local flood plain management official that development will be according to the local flood plain management plan and any permits;
4. Signed set of plans or letter from local fire authority indicating they have reviewed the plans for fire protection and compliance to applicable codes; and
5. **Four sets of drawings** ** (one if submitted electronically) **to include:**
 - a. A vicinity map showing general location of project;
 - b. Plot plan of total area and development phase;
 - c. Plot plan showing location, number and size of sites;
 - d. Spot elevations of contour lines;
 - e. Internal street system;
 - f. Method and layout of electrical distribution system including individual service connections;
 - g. Detail of water and sewer hookup at individual sites;
 - h. Typical site, to scale, showing utility locations;
 - i. Location and number of toilets and a layout of any restroom facilities;
 - j. Location, number, and details of grey water waste drains;
 - k. Location, number, and details of dump station;
 - l. Method of backflow prevention for potable water supply;
 - m. The layout, profile, and design of the sanitary sewerage system and water distribution system shall be included in the above submitted plans. Where the sanitary sewerage system or water distribution system is not subject to Ohio Environmental Protection Agency approval, said systems shall be subject to the approval of the Director of Health.

***Temporary Campground** - plan review applications are to be submitted to the local health district having jurisdiction and require two sets of plans for review by the licensor.

****** Reproductions from other documents are acceptable if legible. Drawings should be scale.

Note - the applicant assumes responsibility for contacting the U.S. Army Corps of Engineers for permits regarding development on or near wetlands, or other permits that may apply.
